features

- ① historical list in apps) recent list
meaning
- ② 647 patent linking structure to action
1996 browser → action options to act
- ③ 604 universal interface for ^{heuristic} search across
959 multiple data fields.
↳ utilized by "Siri" patent.
using different algorithm / heuristics for
different fields.
- ④ synch in background while performing other
functions
- ⑤ 172 ~~auto~~ word-replacement → presentation of
auto-correct. → text entry
- ⑥ 721 slide to unlock, moving a graphical
across a predefined path.
↳ Galaxy Nexus
- ⑦ misread call management, presentation

don't know / I don't recall

① Sync of multimedia files 757

② 239 transition of compression video

↳ storm chosen (early 90s)
faceTime functionality

③ keyboard with multiple layouts of langs.
(Japanese layout)

④ plugging in headphones with ^{change} volume

⑤ photo album showing how many pictures

all later
phone 3GS, all iPads

iPod (some)

Some Mac

+ predicted → tablet / smartphone

answer "in context" precise, short.

- focus on current question

- ~~not~~ non-conversational

- "So" → cautious of interpretation of talker.
↳ beware

"fresh" in recollection. "trigger" pre-existing memory

It hurts to be hurt
^{not forgive}

- you may hate me for a long time

Sitting at the lobby of 645 N Michigan Ave. in Chicago.

Rain heavily outside. Walked from ^{Row} Paul's Garage on E. Ohio

Focus Pointe = 2nd day in ^{shower} Northwestern U. Medical

School. I ran 25 ~~per~~ resopalets yesterday for

9:00 - 8:00 am & 8:00 - 5:00 pm yesterday, non stop. I have
done this for 4 different cities now, S.D. LA, NY & now
Chicago. with over 200 people. For 1 to 3 per person
resin for 20-40 min each

Reading, static philosophy to life

Take's

Anti-Fragile

I don't know how ^{long} I can survive in this
until toll.

It is hard

develop that kind of emotional immunity from the

events in the environment & my personal life. I am

still a greenhorn, ^{trying} learning from my world of radiation
I don't know what I can do. I am trying to live & develop
under more understandings of people around.

My past is filled with shame, guilt & inferiority. As you
pass through different stages in life, sure it there feels and
events increase. I know my weakness - I can't open

I tend to shy away from emotional control

confrontation - 6

- tough to keep up with
crushing on

obsessed with ~~disorder~~ ^{disorder} sexuality.
intent vulgar, evil. ~~separate~~

in human existence, inevitably

→ disorder: information, time, divided attention,

- wounds & scars

- ① Try to capture screen with swiping ~~your palm~~ ^{your palm} from right to left with the side of your hand or (left to right) ^{an ~~thing~~ on your email}
- ② Use Air View to preview information

- ③ Find a way to launch camera quickly from lock screen?

launch camera

- * You want to change default keyboard from Samsung to Swift.

You want to ^{use} personalised data to make word prediction results better ~~in~~ with your keyboard

① On/off widget hidden ~~by~~ *

② toggles switch 2 flyer edward
UX ↓ behavior of on/off
toggle → switch → automatically turn off.

③ k - settings Tab

Y. T. 11: public available data

- employs a team of linguists of the skills & satisfy at once
- state the goods

- extent of analytical skills & competency w/ social & behavioral sciences
- persistence & core ^{mental} principles

main
style

- after all these years, I still need to learn to understand the world as it really is

- to effect change

- no need to maintain facade

- life is full of contradictions & is precarious

- live with contradictions

- safe haven

- soul goes on eternally

- simple & disciplined life style

- not to be consumed by the

ghosts of the past - wisdom of the present

don't want to preach

- spiritual strength

- hardest is to translate into action

- meaningful, productive, "happy" & satisfying life

- permeate the social political culture

- it takes a lifetime to learn & practice love, patience, compassion

epiphenomenon

critical thinking

a world of ruthless greed, betrayal & power

↳ not unlike the

↳ human "instinct" does not change
partially.

↳ production mode, reproduction of culture
└ institutionalized

multinational

↳ corporations

↳ government

↳ rhetoric story-telling

self-hypocrisy at the best

least
worst.

living in marginalized world

work life compartmentalized

They were like despotic kings, princes, queens,
kings, miniature society, doing slaves to satisfy
perhaps their whims for power.

well Dilbert cartoon
downside is

Regard the sarcasm
in human institutions
about us

society ^{soul/spirit} crushing - ^{modern} games that despotic play
"leadership", rules

can
- keep it sharp

It hurts to be hurt
not forgive

- you may hate me for a long time
